25X1 5. [] Met with Mr. William Shattuck, House
Judiciary Committee, who told me that although he has no documentation
it is his understanding that the [] matter relating to overpayment 25X1
of combat pay during the period [] and others served with the Agency 25X1
has been resolved within the Department of Army. Until he hears further
he has closed his file on the matter which he had been handling for
Representative Henderson (D., N. C.). I thanked Mr. Shattuck for the
information and told him we would close out also.

25X1 [] 25X1
25X1 7. [] Met briefly with Mr. Charles Ducander,
Executive Director and Chief Counsel, House Committee on Science and
Astronautics, who told me that Chairman Miller was quite satisfied with
last week's briefing. Mr. Ducander noted in passing that he was somewhat
surprised that the Chairman had requested a briefing before going off on
this particular trip to Europe. Chairman Miller is not expected to return
to the city until late this month. Mr. Duckett has been advised.

25X1 8. [] Met briefly with Representative
Melvin Price (D., Ill.) who gave me his personal apologies for not
attending the Intelligence Subcommittee briefing on Monday. He noted that
as much as he would have enjoyed the Agency briefing, the long weekend and
celebrations in Italy were very enjoyable. He expects that the Subcommittee
will be coming out again and he will be with them at that time.

25X1 9. [] Met briefly with Representative William
Bray who told me that the Intelligence Subcommittee of House Armed Services
had had a good meeting this morning with Ray Cline at State Department and
he expects that they will continue these meetings as rapidly as possible with
the various elements of the intelligence community. Mr. Bray very much
enjoyed his visit to the Agency.

OFFICE OF LEGISLATIVE COUNSEL

Monday - 4 October 1971

25X1 1. [] I picked up Representatives O. C. Fisher (D., Texas) and William Bray (R., Ind.), and Mr. John R. Blandford, Chief Counsel, House Armed Services Committee, and brought them to Headquarters on different occasions during the morning. Representative Bray expressed the opinion that such meetings with members of the Armed Services Committees should have been started years ago. Mr. Blandford characterized the morning meeting as having demonstrated the Committee members great interest in the Agency.

25X1 2. [] Met with Mr. Alex Schnee, office of Congressional Relations, Department of State, who told me it was his understanding that a compromise had been agreed upon between Senator Stennis (D., Miss.) and Senator Symington (D., Mo.) []

25X1

25X1 3. [] In a chance meeting with Miss Dorothy Fosdick, National Security and International Operations Subcommittee staff, Senate Committee on Government Operations, as she came off the floor of the Senate during discussion of the Symington amendment to restrict spending on Laos, Miss Fosdick told me that it appeared that the compromise amendment limiting spending to \$350 million with no restrictions on bombing would carry.
